BIENVENIDO

Welcome to The Phoenician, a Luxury Collection Resort. Explore a truly Indigenous side of Scottsdale at Arizona's premier destination for recreation, work and adventure.

During your stay, we hope that you enjoy the signature offerings that define our award-winning 250-acre luxury resort.

Embark on an epicurean adventure at our two exceptional eateries, Il Terrazzo, which offers regional Italian fare, and 16G Steakhouse, featuring the finest cuts of meat and a global selection of fresh fish, as interpreted by world-renowned chef Jean-Georges Vongerichten.

Experience our 27-hole championship golf course, complemented by 27,000 square feet of first-class practice facilities and The Phoenician's Tennis Garden, the largest resort complex in the region, offering four playing surfaces, including a Wimbledon grass court.

Relax in sumptuous style at the Forbes four-star Centre for Well-Being and Salon Milla, offering a variety of stimulating and healing treatments - many of which incorporate elements prized for centuries by the native peoples of the American Southwest.

Enjoy a complimentary Self-Guided Audio Tour of select works in The Phoenician's \$25 million art collection, accompanied by two free tickets to the Phoenix Art Museum.

Explore the two-acre retreat showcasing 250 varieties of cacti and succulents on a complimentary cactus garden tour.

Visit the entertainment districts of Scottsdale or spend a day in the high-energy scene of downtown Phoenix, both a short drive away from the resort.

We hope that you explore all that this unique destination has to offer. If you need any assistance or advice on what to see and do during your stay, please enlist The Luxury Collection Concierge to help guide your travels.

Best Regards,

[SIGNATURE GOES HERE]

SUPERIOR SLEEP BEGINS WITH
THE ANDREA COLLECTION.

Created in partnership with Italian artisans Frette, maker of fine linens and home furnishings since 1860, the Andrea Collection features an exclusive range of 400-thread count linens, as well as a cashmere throw and duvet cover printed with a signature pattern blending classical influences and modern elegance.

Named for Andrea Dandolo, the 54th Doge of Venice and patron of the arts, the collection is inspired by Frette's storied history as the purveyor of linens for Hotel Danieli, a Luxury Collection Hotel, Venice, since 1862. The Andrea pattern interweaves the brand's original logo, depicting the Horses of St. Mark's, with contemporary influences in a subtle, lace-like design. From the altars of St. Peter's Basilica to the dining cars of the Orient Express, Frette's tradition of authentic craftsmanship continues through the modern era with the premier hotels and resorts of The Luxury Collection.

It should evoke the feeling of the property and place, setting the stage for a person who is interested in planning a wedding at your property.
